Senior .NET Integrations Remote Full-time

PROFILE

Creative, solution-oriented Senior Software Engineer with **6+ years** of full-stack development in the **.NET ecosystem**, specialising in **scalable system design and third-party integrations**. At **Saudi Azm** I build **Contracts**, a Saudi e-signature platform integrated with **Emdha** and DMS systems, plus the back ends of the **Noug** and **Whis Book** apps. I mentor developers, run POCs, introduce modern tools and care about building high-performance teams and technology that helps people.

SKILLS

Back end

C#, C++, OOP, design patterns, ASP.NET Core, MVC, Web API, SignalR, WCF, ABP Framework, Entity Framework

Databases

SQL Server, MySQL, MongoDB

Integrations

Emdha e-signature, DMS/CSP, IBM Watson, RabbitMQ, Hangfire, SharePoint, Microsoft 365

Tools & methods

Git, TFS, Agile, POCs, tech talks, API test planning

Front end

Blazor, Angular, AngularJS, TypeScript, JavaScript, jQuery, HTML, CSS, Bootstrap

Soft skills

Quick learner, team player, adaptable, excellent communicator, self-motivated

PROFESSIONAL EXPERIENCE

Senior Software Engineer · Saudi Azm (AZM Digital)

Jan 2023 – Present · Remote

Riyadh digital-transformation company building platforms for government and fintech. Joined through Tech Process Solutions, Amman (2023 – 2026).

- **Mentored 3 junior developers**, increasing team velocity by **20%** and reducing code-review iterations.
- Drive **third-party integrations** with seamless back-end architecture: **Emdha** digital signatures and DMS for Contracts.
- Conduct **POCs**, introduce modern tools and present findings to internal teams.
- Collaborate on product upgrades and new features across web services for **Contracts, Noug and Whis Book**.

.NET Core Blazor SignalR Web API SQL Server Hangfire MongoDB Angular

Senior Solutions Developer · Link Development

Nov 2021 – Jan 2023 · Cairo · Remote

Cairo software company and long-time Microsoft partner (since 1996).

- Spearheaded **API test planning and execution** in tight collaboration with QA teams.
- Reviewed code and mentored junior developers to raise code quality and velocity.
- Delivered robust **project-management tools** on SharePoint, MVC, Web API, SQL Server and Microsoft 365.

.NET Framework SharePoint MVC Microsoft 365

Software Engineer · ITWorx Education

Jun 2020 – Nov 2021 · Cairo

Edtech division of ITWorx (Cairo, 1994), maker of the award-winning winjiGo platform and TeacherKit.

- Developed new modules and web services for e-learning products **winjiGo, TeacherKit** and the Parent and Student apps.
- Delivered tech talks and contributed to cross-team architectural planning.

.NET Core SignalR MVC Hangfire MongoDB MySQL AngularJS

Software Engineer · INTDV

Sep 2019 – Jun 2020 · Cairo

Arabic conversational-AI company: chatbots, digital avatars and humanoid robots.

- Built **chatbot integrations (IBM Watson)** and .NET Core 3 back ends for cross-platform support.
- Supported cross-functional teams in adopting new tools and keeping delivery quality high.

.NET Core SignalR RabbitMQ SQL Server MongoDB

PROJECTS

Contracts (CSP) · contracts.com.sa · 2023 – now

Digital signing platform integrated with DMS and Emdha. Blazor, ASP.NET Core.

Noug نوق · 2023 – now

Mobile app to order, track and pay for fresh camel milk. ASP.NET Core Web API.

TeacherKit · Parent & Student apps · 2020 – 2021

Attendance, grades and behaviour on iOS, Android and Windows.

Whis Book · 2024 – now

Multilingual translation app incl. world sign languages, conference and video translation. ABP, ASP.NET Core.

winjiGo · 2020 – 2021

E-learning platform with assessment, analytics, gamification and Microsoft integration.

Hear · graduation project

Sign-language-to-speech translator. Grade: Excellent.

EDUCATION

- **B.Sc. Computer Science**, Suez Canal University, Ismailia · 2014 – 2018
- **9-month diploma, Professional Web Development & BI**, Information Technology Institute (ITI), MCIT · Oct 2018 – Jul 2019

TRAINING

- **ITI summer training** for undergraduates, Ismailia · Aug 2016: web and game development, XML, SQL, HTML, CSS, JavaScript, jQuery, soft skills.

LANGUAGES

- **Arabic**: native
- **English**: professional working
